

Dear Preschool Families,

Along with having an excellent preschool program, we have a supplemental preschool program called Enrichment which is offered in the afternoon on Tuesdays and Thursdays. It was created for the child who loves learning, and has an inquisitive mind! Each month has a separate theme, (see attached).

Enrichment has a separate monthly fee of \$95.00.

As always, we are committed to providing our children with excellent learning opportunities, and we look forward to doing that again this year.

Thank you for letting us “enrich” your children.

Sincerely,

Miss Wendy
