What's New?

Spring weather is upon us! Please make sure your children have weather appropriate clothing, and playground safe shoes at all times. We will be going outside as much as possible! Also, if you would like sunscreen applied to your child before afternoon playground time, please supply a bottle with a visible expiration date!

Our preschool Easter Parades were wonderful! The children spent a lot of time practicing, and they did awesome on stage! We are so proud of them all.

Our spring themes will be continuing for the next few months. We will be learning all about rainbows, the zoo, bugs, flowers and of course, celebrating Mother's day! We will be having our annual Mother's Day breakfast on Friday, May 12th with our toddler and preschool classrooms. More information will be sent home regarding the breakfast in the next few weeks.

Read to your children:

Below is a link from NAEYC regarding the importance of reading to your children as they develop through their years. You can not underestimate the importance of reading out loud to your children as early as when they are born, as well as when they are in elementary and even middle school.

How many books have you read to your child today?
