What's New?

Happy Holidays! The teachers and children have been busy preparing for, and celebrating the upcoming holidays in their classrooms. Have you taken a moment to check out our hallway? The bulletin boards look great and can really put you in the holiday spirit! Please be sure to check the "Upcoming Events" column for center closings.

Winter weather is here! But that does not stop us from playing outside! The children will go out as much as possible this fall and winter, so please be sure to have appropriate clothing in your child's cubby at all times. Make sure to have snow pants, boots, hats and gloves.

THE DATE OF OUR 4 AND 5 YEAR OLD CHRISTMAS PAGEANT HAS CHANGED! It will now be on Wednesday, December 20th at 11:00.

From Dave...

We are excited to announce some capital improvements that will be coming to the center. Over the weekend of December 15th-17th, the hallway ceiling will be removed. When you come into the center on Monday morning, we will be as clean and safe as we always are, but our appearance will not be the same. It will take 5-6 weeks to have our new HVAC system installed which will allow us to control the temperature of the building, while adding central air throughout.

Once the new HVAC system is installed, the hallway as well as the classrooms will receive new flooring.

All construction work will be done after hours and on the weekends.
