- Zoe (4)
- Samantha (3)
- Colton (3)
- Camryn (3)
- Teagan (2)
- Ethan (1)
- Bennett (1)

What's New?

What a Summer it was! Can you believe it's the end of September already? Our "End of Summer Bash" was so much fun, and a great way to end the Summer. Thank you for taking the time to participate with your child!

Our first official day of Preschool for our 3 and 4 year olds was Tuesday, September 4th. Our theme for the month of September was "All About Me!" We talked all about ourselves, our families, our friends and our communities.

Our toddlers will be following our school year curriculum too! Each month there are new skills we will be developing, and new themes we will be learning about. Our curriculum calendar is posted on our website, along with weekly lesson plans! Be sure to check out our 3 and 4 year old classroom blogs too!

From Dave...

During the week of September 24th, we had community helpers come in and speak with the 4 year-old preschool classrooms. Two Gingerbread House parents volunteered their time to speak with the children and we would like to thank them. Reem El-Khally who is a doctor, spoke with the children about helping others and staying healthy. Nikki Jordan, a local Vet at Liverpool Animal Hospital spoke to the children about caring for animals. Reem had the children listen to each other's heart beat with a stethoscope while Nikki did the same, listening to my 9 month-old Labs heart-beat. It was a fun week!

We are having our Preschool Halloween Parade on October 31st at 11:00am in the Gym. Parents of 3 and 4 year-olds are invited to join us for Halloween songs on stage. Infant and Toddler parents will be enjoying a Halloween Breakfast during drop off time. Enjoy a cider donut with your child dressed in their costume.
